HOW TO BUY!!

Download Phantom Extension

Download and install phantom on the appstore, or, alternatively if you're on desktop download and install the browser extension

Secure your SOL

Now all you've got to do is buy your SOL in the Phantom App, or, alternatively you can use an exchange and deposit using your wallet address

Buy some $MOCAT

Now go to Raydium and paste the $MOCAT contract address to swap your SOL

Add to your Wallet

Now you're all set! Welcome aboard the next rocket to the moon, Just import the contract address to view your holdings, and you can track your earnings.
